

**A New Business Support Opportunity from SCA
In collaboration with Access2Business in the Black Country
2018**

I'll like to share with you a brand new opportunity to develop your business or business ideas through a new initiative from SCA in association with Access2Business in the Black Country.

This opportunity never existed before now. SCA as an independent Business Consultancy is collaborating with Access to Business to deliver free of charge, some of its services in business/idea development.

If you are looking to grow your business or explore an idea, you can now get a free 12 hours support from SCA MC.

You will get the support listed in our site free of charge within the 12 hours maximum allowed, spread over few days. We will come to you or you come to us. It's your choice.

Please read the attached Newsletter from SCA to be completely informed or contact me on the phone number below this mail.

The only criterion to benefit from this is that your business or you as a person **must** be in the Black Country, England UK

This is a limited opportunity to get support from the experts from SCA Management Consulting Ltd. The support you get is highly valued in cash terms so, this is your chance.
