SCA Management Consulting

Supporting Enterprise For All

SCA Was formed to provide support, advice and mentoring to potential and existing businesses. It has six professional independent business advisers with background in Financial Accounting, Management Accounting, Marketing, Strategic Management, Mentoring, Procurement, Human Resources, and Project Management.

Our key strength lies on business finance expertise covering the private and public sector.

Our Principal Activities:

- ❖ In-depth business development analysis (BDA) and Action Plan (AP).
- ❖ Project management.
- ❖ Business control systems and strategic development
- ❖ Business awareness courses/workshops in Finance, Marketing and Procurement.
- ❖ Enterprise Mentoring Services accredited by British Bankers Association (MENTORSME) www.mentorsme.co.uk
- ❖ Support for clients seeking to raise finance through various lending Institutions or government/European business grants.

We deliver a professional service to our clients, thereby saving them money and improving the bottom-line.

Business Awareness at SCA

- ❖ We run integrated business awareness training for existing, new and potential businessmen and women who are interested in acquiring the right knowledge to run their business.
- ❖ The training will demystify all the myths about setting and running a business in all sectors of industry.

- ❖ It will empower potential and new business owners whether a small sole trader, a social enterprise or a manufacturing company.
- ❖ Our courses will lead you in the right direction to achieve your ultimate aims and enable you to have a seamless start.
- ❖ The course will provide you with the basics but essential tools required to set-up and run the business.
- ❖ We will also provide you with a mentor to continue to work with you for four weeks after your set-up.

The course covers areas such as:

- ❖ Finance and Legal requirements
- ❖ Policies and procedures
- ❖ Marketing/market research
- ❖ Developing your brand image helping you with IP registration
- ❖ Launching your product/service
- ❖ Contract and procurement processes
- ❖ Producing and maintaining accounting documentation
- ❖ HR strategies and future training requirements

If you have contemplated starting your own business, you don't need to wait any longer. We can make it easier for you.

The course will run on a four hour day block.

The facilitators of this programme are qualified and experienced business professionals who have run businesses as well as worked at a higher position in various organizations.

The courses are designed to save you time and money in setting up as well as running your business.

The course fee is only £250 for a package of four business topic areas.
